

Lakes Association Newsletter Spring 2025

Hello everyone!

Happy Spring! I think we have had another successful year. Folks seem to be happy we moved the information board from the bar parking lot to Lake Mary Park, near the pavilion. It gets more attention from everyone who uses the park. We continued to do the flowers on the bridge and did bows for Christmas that survived the plow. Our friend Jim added the whirligigs for spring, and we appreciate them. We continue with water testing and our lakes are very clean. We have ordered Clean, Drain, Dry signage to place at both boat landings to remind folks to clean their boats.

We added a Winter Social this year. It was held at the State Street Venue on March 9th. We catered appetizers and Russ made desserts. We had 44 people attend and it was nice to see our friends and neighbors after the long winter. We have decided to hold this event annually on the second Sunday in March.

Please continue to look at our website. We have minutes from our meetings and event information posted. Please visit us at www.hamiltonlakesassociation.com. You may ask questions via the site and if you have pictures you would like to share, please email them to the site.

Upcoming events:

- The lakes road clean-up is now conducted on an individual basis with folks cleaning up their own sections of road. Thanks to John Sundstrom for doing a lot of the roads. The Loretto dump will be available May 9th & 10th.
- The annual meeting will be July 5th at the Waucedah town hall at 10 am. Officers will be elected, and updates provided. Coffee and donuts will be provided. Present and future members welcome. There will also be a meeting of the Hamilton Lakes Lake Board.
- The 4th of July Boat Parade will begin at 2pm. Meet on the east side of Lake Louise. Prizes are given for the most original and most patriotic.
- The annual "Taste of the Lakes" picnic will be August 3rd. The Lakes Association will provide meat, soda, and fun. We are asking all of you to bring a dish to share. This year 1st Lake is asked to bring desserts, 2nd Lake – Hors d'oeuvres and 3rd - salads. This event will always be held on the first Sunday in August. You might want to bring some cash as there is a 50/50 raffle and I am usually selling Holy Spirit tickets!
- The annual Winter Social will be March 8, 2026 at the State Street Venue from 2pm to 6pm. The Association will provide appetizers and desserts, coffee and water.

All the above details can also be found on the website. A membership form is included, consider joining us if you are not a member.

In township news, Lake Louise North is going to be widened and that is why all of those trees have ribbons and County Road 573 will be paved from Loretto to the Norway city limits.

Milfoil treatment will occur again this year. We don't know the exact dates. We will put out the roadside signs with the date as soon as we are notified, and you can visit our website for specific locations. I believe we are only treating 3rd Lake. There will be a notice on your waterfront if they are treating an area near you.

Please remember that the channels are no wake zones.

It has been a pleasure working with all of you!

Thank You and Have a Great Summer!

Sincerely,

Louie
